“We have delivered another outstanding quarter by achieving highest ever quarterly profits and revenue for the first time in the Company’s history. Most of our businesses have performed well, with the equity and allied business leading the way.

2020 was first full calendar year of realization of synergy benefits with Total Securities Limited, which is reflected in the topline growth of the Company. As we enter into FY22, we are very much optimistic for our growth projects and expect merger benefits to accrue more significantly coupled with positive market sentiments.

During 2020, our business and operational resilience, enhanced by our technology and digital capabilities, enabled us to rapidly support our clients, employees and the financial system through immense stress and volatility. At the same time, we continued to advance our strategic priorities and longer-term growth agenda across all of our businesses. The investments we’ve made over the past several years, especially in technology and operations, served us and our clients well amid some difficult circumstances

Our quarterly revenues witnessed growth of 85.35% over the corresponding year quarter on consolidated basis. With such strong set of results, our EPS for nine months period ended Dec 31, 2020 has been increased by over 95% to Rs. 14.06 per share in comparison to Rs. 7.21 per share in the corresponding period.
