14380-14430

❑ Bank Nifty

Sup 36150-35900 Res 36700-37200

- ❑ A big gap up opening and sustained buying across the board saw the Nifty zooming strongly by over 326 points to close at 15245
- ❑ Over the course of three days, Nifty saw a strong recovery as it zoomed past last Thursday high to signal resumption of the uptrend. Index left a gap up opening today at 14959-14995 and formed third consecutive white candle. These are such strong bullish timems that every dip get bought into vigorously resulting into faster recovery.
- ❑ With mid and small cap stocks continuing to shine and led the broader trend, the underlying momentum remains strong. The index can scale up further and eye recent high of 15431
- ❑ On the lower side, 15175 acts as immediate support while today's gap threshold now act as strong support.

Disclaimer:

This report has been prepared by SISL and is meant for sole use by the recipient and not for circulation. The information and opinions contained herein have been compiled or arrived at, based upon information obtained in good faith from sources believed to be reliable. Such information has not been independently verified and no guaranty, representation of warranty, express or implied, is made as to its accuracy, completeness or correctness. All such information and opinions are subject to change without notice. This document is for information purposes only. Descriptions of any company or companies or their securities mentioned herein are not intended to be complete and this document is not, and should not be construed as an offer or solicitation of an offer, to buy or sell any securities or other financial instruments.

This report is not directed to, or intended for display, downloading, printing, reproducing or for distribution to or use by, any person or entity who is a citizen or resident or located in any locality, state, country or other jurisdiction where such distribution, publication, reproduction, availability or use would be contrary to law or regulation or what would subject SISL or its affiliates to any registration or licensing requirement within such jurisdiction.

If this report is inadvertently sent or has reached any individual in such country, especially, USA, the same may be ignored and brought to the attention of the sender. This document may not be reproduced, distributed or published for any purposes without prior written approval of SISL.

Foreign currencies denominated securities, whenever mentioned, are subject to exchange rate fluctuations, which could have an adverse effect on their value or price, or the income derived from them. In addition, investors in securities such as ADRs, the value of which are influenced by foreign currencies effectively assume currency risk.

It should not be considered to be taken as an offer to sell or a solicitation to buy any security. SISL may from time to time solicit from, or perform broking, or other services for, any company mentioned in this mail and/or its attachments.

SISL and its affiliated company(ies), their directors and employees may: (a) from time to time, have a long or short position in, and buy or sell the securities of the company(ies) mentioned herein or (b) be engaged in any other transaction involving such securities and earn brokerage or other compensation or act as a market maker in the financial instruments of the company(ies) discussed herein or act as an advisor or lender/borrower to such company(ies) or may have any other potential conflict of interest with respect to any recommendation and other related information and opinions.

SISL, its directors, analysts or employees do not take any responsibility, financial or otherwise, of the losses or the damages sustained due to the investments made or any action taken on basis of this report, including but not limited to, fluctuation in the prices of shares and bonds, changes in the currency rates, diminution in the NAVs, reduction in the dividend or income, etc.

SISL and other group companies, its directors, associates, employees may have various positions in any of the stocks, securities and financial instruments dealt in the report, or may make sell or purchase or other deals in these securities from time to time or may deal in other securities of the companies / organizations described in this report.

SISL or its associates might have managed or co-managed public offering of securities for the subject company or might have been mandated by the subject company for any other assignment in the past twelve months.

SISL or its associates might have received any compensation from the companies mentioned in the report during the period preceding twelve months from 1 date of this report for services in respect of managing or co-managing public offerings, corporate finance, investment banking or merchant banking, brokerage services or other advisory service in a merger or specific transaction in the normal course of business.

SISL or its analysts did not receive any compensation or other benefits from the companies mentioned in the report or third party in connection with preparation of the research report. Accordingly, neither SISL nor Research Analysts have any material conflict of interest at the time of publication of this report. Compensation of our Research Analysts is not based on any specific merchant banking, investment banking or brokerage service transactions. SISL may have issued other reports that are inconsistent with and reach different conclusion from the information presented in this report.
